

NPP: A SOLUTION FOR BOULDER’S NEIGHBORHOODS

SHARING THE STREETS:

In 1996, the City of Boulder adopted a new Transportation Master Plan (TMP) with the support of its citizens. One item addressed was the need to manage parking, and balance transportation demands, while preserving the quality of life in Boulder.

In this effort the City developed a number of options, among them the use of a residential permit parking system. Residential parking permit programs have been used successfully in cities nationwide and are most often implemented in neighborhoods adjacent to major employment and activity centers.

PRESERVING THE CHARACTER OF OUR NEIGHBORHOODS:

The Neighborhood Permit Parking Program (NPP) is designed to make Boulder neighborhoods safe and pleasant places to live, work and attend school by encouraging less driving and reducing on-street parking congestion. Each neighborhood in the program has public parking limits that are unique to that area and take into account the neighborhood’s particular needs.

Under the Boulder Revised Code, 1981, a vehicle with a valid, properly affixed residential permit will be exempt from the NPP zone time limit restrictions where there is a Permit Excepted sign in the zone where the permit was issued. I understand that the permit does not exempt the permitted vehicle from all other parking restrictions or laws, or from restrictions posted on other NPP zones.

Abuse of any permit issued by the City of Boulder can result in the revocation of **Resident** permits for up to one year.

By signing this application, I am agreeing to the terms, conditions, regulations, assignments, and use as stated in this application.
